

X-TECH DC – Undergarment vest

The X-TECH DC (Deep Cover) is an extremely comfortable undergarment vest in different variations.

The size and cut of the vest offers good coverage of all relevant and important regions of the body while maintaining high comfort. Because of the intelligent cut and fit usually our customers can choose the size of the vest by T-shirt sizes. This minimizes impact and logistics that also reduces the costs. Additionally, we offer our customer tailored solutions by our master tailors.

With this model and its ballistic package you are safe from all typical threats the comfortable cover made out of fine single jersey versus nicely and supports the high quality by its fine looks.

We offer the cover in different colors and fabrics. Design the covers to make them look like vests for suits.

When using high quality suits there's even the option of using original fabrics to make the ballistic vest adapt and completely vanish when wearing suit.

The following ballistic packages are available:

Model 220	Model 220c	Model 320
Model 320c	Model 370	Model 440f
Model 500f	Model 510f	Model F-355
